

THIS *or* THAT

Read each statement and circle the one you relate to the most. Whichever column you select more often is the program that might be best for you!

I have time to be a full time grad student

I dont have time to be a full time grad student

I don't know what setting or population i would like to work in in the future

I already know what setting I am going to practice in

I would like the UTSA faculty to supervise me

I am working in a clinic and would like them to supervise me

Research is a top priority and I want to get involved as soon as possible

Research interests me, but it is not my main priority

I work well in a dynamic schedule with many moving parts

I would prefer a consistent schedule throughout my education

Comprehensive Program

Focused Program
